This hard-working duo is the your secret weapon in the fight against cellulite. Karin Herzog's Silhouette Body Cream protects the skin's surface while sending oxygen deep into the tissue, dispersing the toxins that can cause that bumpy effect. Next, Tonus B12 Draining Cream firms skin by improving circulation and boosting its regenerative properties. *Grazia's* beauty director Annabel Jones says, 'Cellulite is notoriously tough to shift but, used in conjunction, these super-creams visibly reduce lumpiness leaving skin smooth.'
